

# WHAT'S YOUR INTERIOR STYLE?

## TAKE THIS QUICK QUIZ TO FIND OUT

Designing a home that truly reflects your personality begins with understanding your style. Whether you gravitate toward calming neutrals or bold statement pieces, this quiz will help you pinpoint your aesthetic — and guide you toward creating a space that feels just right.

*Ready? Grab a cuppa and let's begin.*

**1. How would you describe your dream living room?**

- A. Warm neutrals, natural textures, and soft lighting
- B. Clean lines, monochrome palette, sleek furniture
- C. Mismatched vintage finds, layered rugs, bookshelves brimming with stories
- D. Rich colours, velvet fabrics, a touch of gold
- E. White walls, pops of green from plants, artisan pottery

**2. Your ideal coffee table book would be about:**

- A. Slow living and mindful interiors
- B. Architectural icons and minimalist design
- C. Vintage fashion or classic cinema
- D. Art, interiors, and global influences
- E. Indoor plants and sustainable living

**3. When choosing artwork for your walls, you go for:**

- A. Framed landscapes or soft abstract watercolours
- B. Black and white photography or line drawings
- C. Gallery walls full of vintage prints and personal mementos
- D. Large-scale bold paintings or statement mirrors
- E. Handmade crafts, woven wall hangings, or botanical illustrations

**4. Your perfect sofa would be:**

- A. Linen, with plush cushions and a relaxed silhouette
- B. Streamlined, structured, and in a neutral tone
- C. A retro piece reupholstered in a quirky fabric
- D. Deep, luxurious velvet in a jewel tone
- E. Mid-century modern with wooden legs and a textured fabric

**5. How do you feel about colour?**

- A. I like soft, muted shades like taupe, stone, and sage
- B. I prefer monochrome or tonal variations of the same hue
- C. The more the merrier – I love mixing patterns and palettes
- D. I use colour to make a statement – think navy, emerald or rust
- E. I like earthy tones and nature-inspired shades

**Results: Discover Your Style**

**Mostly A's – Scandinavian Calm**

Cosy, simple, and serene. Think pale woods, soft textures, and warm lighting.

Tip: Add depth with wool, jute, and raw wood.

**Mostly B's – Minimalist Modern**

Clean lines, calm tones, and uncluttered spaces.

Tip: Use black, white, and chrome for contrast.

**Mostly C's – Eclectic Collector**

Personal, layered, and full of character.

Tip: Mix styles within a loose colour palette.

**Mostly D's – Glamour Maximalist**

Bold, rich, and luxurious with drama in every detail.

Tip: Repeat colours and finishes for cohesion.

**Mostly E's – Organic Bohemian**

Relaxed, earthy, and soulful.

Tip: Use plants, rattan, and handmade pieces for texture.
